Block of the Month

Shop Owners Cutting Instructions

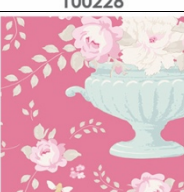

The cutting instructions for this Block of the Month have been developed with you, the busy shop owner in mind. All featured fabrics are cut from the bolt in 'long/skinny quarters', so 10" x WOF strips. Each month is then cut from the 10" x WOF strips and where possible the cuts have been kept as uniform as possible.

The four spot prints and the Meadow Basics are all 10" x 20" (1/2 WOF).

All fabric requirements are based on a 40" WOF.

When cutting please DO NOT include the selvedge in the measurements.
ie. First cut will be 6" + an allowance for the selvedge.
